POST SSC

ACCELERATE YOUR CAREER IN ENGINEERING

Head on Straight from SSC to Engineering

3 YEAR DIPLOMA COURSES

- ▶ Information Technology
- ▶ Computer Engineering
- ▶ Electronics & Telecommunication Engineering

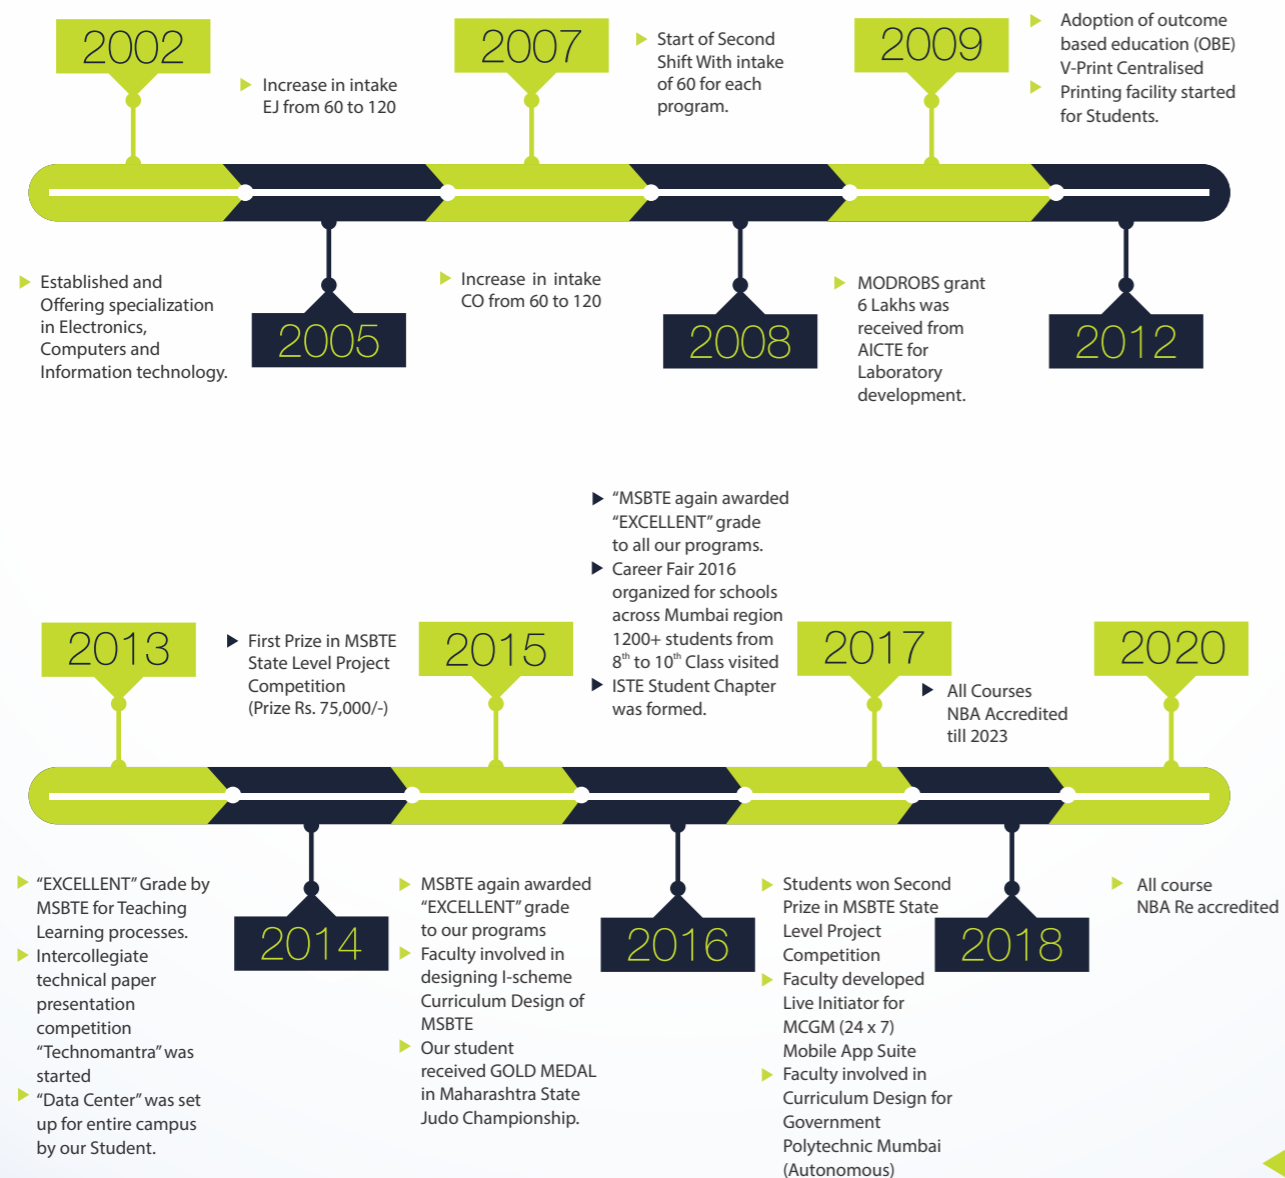

(All Courses NBA Accredited)

Approved by Government of Maharashtra and AICTE, Affiliated to
Maharashtra State Board of Technical Education

About Vidyalkar Polytechnic

Vidyalkar Polytechnic was established in July 2002. The college is approved by A.I.C.T.E. and affiliated to Maharashtra State Board of Technical Education (MSBTE).

Vidyalkar Polytechnic offers three-year Engineering Diploma Program in Computer Engineering, Information Technology and Electronics & Telecommunication Engineering. The three-year Diploma course (six semester) gives hands on experience to students and provides an excellent foundation for engineering specialization.

Courses Offered

Computer Engineering

- ▶ Provides knowledge of computing and a understanding of the underlying engineering principles.
- ▶ Focuses on computer system designed as an element of computer network as well as computer technology.
- ▶ Establishing a firm ground for learning computer based technology and evolving with time.

Information Technology

- ▶ Provides an insight to programming in languages like C, C++ java etc.
- ▶ Includes Study of networks, database design and essential elements of information security.
- ▶ Concentrates on fundamentals of software engineering covering a range of different approaches to software development.

Electronics and Telecommunication Engineering

- ▶ Includes study of microwave radio system, satellite communication etc.
- ▶ Includes application and control of scientific phenomenon concerned with flow of current.
- ▶ Designing and Installation of telecommunication equipments and facilities.

Why Diploma after 10th for Engineering aspirants?

- ▶ Diploma pass students get direct second year Engineering degree admission, so number of years required to pass engineering remains same (2 years HSC + 4 years Degree and 3 years Diploma + 3 years Degree).
- ▶ No entrance examination like JEE / CET while securing Engineering degree admission for diploma pass out students.
- ▶ Diploma curriculum offers more hands on practices and hence Industry prefers Diploma + Degree graduates while recruiting.
- ▶ Diploma is only career path that provide job as well as entrepreneurship opportunity.
- ▶ Diploma pass out can also opt for few other graduation course and foreign university graduation courses.
